

PORTFOLIO

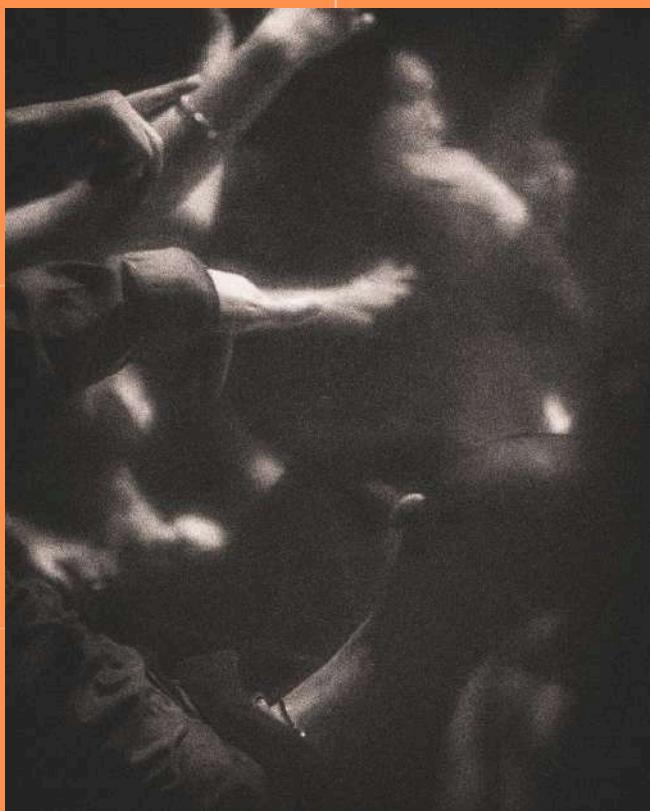

/ David Pinheiro
/ Photographer
/ Selected works
/ 2010
2025

I'm David Pinheiro, a 37-year-old photographer based in Berlin, with 15 years of experience in travel, portraits, and abstract photography. Also, at my humble level, an electronic music producer for the past 5 years, my challenge is to bring a unique perspective, blending my love for visuals and sound. My work reflects the deep connection between music and imagery, telling stories that resonate beyond the moment.
